BY-LAWS OF RISING SUN LODGE

No. 103

IN FORCE 1909.

DEFINITIONS.

1. The Ancient Landmarks are those principles of Masonic government and polity which are the only part of Masonic Law or rule of government that may never be altered or disturbed, and such of them as are lawful to be written are usually, but not wholly, engrafted in a written Constitution.

2. The Constitution is a written compact or law adopted by Freemasons for the government of a Grand Lodge, and its subordinate lodges, their members, including fundamental provisions, constitutionally adopted, that are intended to be permanent in their character.

3. Usages, Customs, Rules, Edicts and Resolutions, are those Masonic rules of action adopted by competent authority, for local or temporary purposes, admitting of change at convenience, and not embraced in the Ancient Landmarks or the Constitution.

4. To be in Good Masonic Standing within the meaning of the Constitution requires that a brother shall have been initiated, passed, and raised in a just and duly constituted Lodge of Free and Accepted Masons, and is not unaffiliated, suspended, or expelled.
